Sole Source Set-Aside Contract Value Authority

FAR 19.805 – 1(b)(2) Sole Source 8(a)

Where an acquisition exceeds the competitive threshold (\$4.5M), the SBA may accept the requirement for a sole source 8(a) award if the SBA accepts the requirement on behalf of a concern owned by an Indian tribe or Alaska Native Corporation.

Past Performance FAR

FAR 15.305(2)(iii)

Past Performance information is one indicator of an offeror's ability to perform the contract successfully. The solicitation provides offerors an opportunity to identify past or current contracts relevant to the requirement & evaluate problems encountered on the identified contracts and the offeror's corrective actions.

Past Performances

Legal Support Services – Department of Justice (DoJ)

Provide services and support to a DoJ Agency's Financial Litigation Unit (FLU) responsible for enforcing and collecting all debts owed to the United States in its respective district. The mission of the FLU is to maximize recovery of all debts in the most cost-effective manner and in accordance with the laws of the United States. The FLU at present consists of an attorney, supervisor, paralegals, and collection agents. Debts due the United States may be from cases referred from federal civil client agencies, judgments wherein federal agencies, private corporations and/or individuals are awarded restitution, fines, special assessments, penalties, and costs.

Communications Security Support Services (COMSEC) – Department of Justice (DoJ)

Provide a highly qualified COMSEC Operations Team to maintain COMSEC material for all classified communications systems and tiers of support associated with the Key Management Infrastructure Management Client, COMSEC management, COMSEC equipment implementation, COMSEC Accountability and Reporting, and COMSEC Property & Management Support for a DoJ Agency.

Intelligence Analysis and Investigative Support – Department of Justice (DoJ)

Provide services and support to cyber targeting, research, analysis, quality control, and development of query strategies to conduct cyber intelligence analysis in support of reducing violent crime, protecting the public, and preventing terrorism. Aids, through collection and analysis of information, the conduct and coordination of a DoJ Agency's multi-jurisdictional, domestic and international, operations to disrupt and dismantle online criminal activity.

Immigrations and Naturalization Operations Support Services – Department of Homeland Security (DHS)

Provide correspondence management, file operations and maintenance, data reviews and updates, interview scheduling, certificate preparation and production, ceremony support, interview preparation (organizing casework), and file retrieval/maintenance to immigration and naturalization services of a DHS Agency.

Configuration Management Support Services – Department of Homeland Security (DHS)

Provide Configuration Management Project Management Support, Change Management Administrative Services, Change Management Planning, Strategy, and Outreach Services, Change Management Tool Administration and System Integration Services, Change Management Operations Services, Configuration Management Communications Services, Change Management Information Technology Service Management (ITSM) Tool Suite Development and Administration Services, and Auto-Discovery Tool Development and Administration Services to DHS.

Intelligence and Operations Support Services – United States Air Force (USAF)

Provide classified analyst, mission and threat planning, and multi-intelligence fusion analyst support, to a USAF intelligence, surveillance, and reconnaissance planning and direction, collection, processing and exploitation, analysis and dissemination weapon system. EnProVera analysts produce actionable intelligence from data collected by a variety of classified sensors.

System Support Services – United States Air Force (USAF)

Provide Client System Technician support to a fast-paced USAF Intelligence organization's three classified networks and one unclassified network and all the client servers, desktops, peripherals, installation and support to system and applications software, patch management, monitoring system performance metrics, training end-users, and troubleshooting and resolving system issues and user errors.

Leadership Team

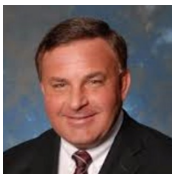

Chief Walt "Red Hawk" Brown | C(N)E President & CEO

Chief Walt "Red Hawk" Brown is the visionary leader and founder of CNE. He was elected Chief of the Cheroenhaka (Che-ro-en-ha-ka) Nottoway Indian Tribe of Southampton County VA and Chairman of the Cheroenhaka (Nottoway) Indian Tribal Heritage Foundation, Inc., a 501 (c) 3 entity. He also serves as the Cheroenhaka Nottoway Enterprises President & Chairman and was recently appointed by Governor Youngkin to the Virginia Board of Conservation & Recreation.

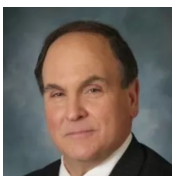

Young Kim | C(N)E Chief Strategy Officer & IT BU Lead

Young Kim has over 25 years of experience as a senior executive at large global consulting firms working with private and public sector clients in multiple markets and industries, both domestically and internationally. Prior to joining Grant Thornton as a Senior Advisor, he held position as Partner at PricewaterhouseCoopers, IBM Business Consulting Services, and Accenture. He successfully grew and led a portfolio of clients worth over \$150 million annual revenue with clients in the US federal government such as Department of Energy, National Nuclear Security Administration, Department of Transportation, Environmental Protection Agency, US Courts, Federal Energy Regulatory Commission, Lawrence Berkeley National Lab, Lawrence Livermore National Lab, and Sandia National Lab.

Larry Grant | EnProVera Chairman & CEO

Larry Grant is a co-founder of the EnProVera Corporation and a member of the Cheroenhaka (Nottoway) Indian Tribe. He has 39 years of experience in the US Air Force and in the government contracting industry providing distinguished service to the United States and to the United States Government. Larry gained significant expertise performing such roles as managing an overseas DoD clandestine facility upgrade and operation, conducting clandestine overseas operations, authoring a highly classified study of a foreign nation's technical capabilities, architecting intelligence systems support to combat operations, and performing in senior and executive leadership roles in companies providing services and solutions to US Government agencies and to the DoD.

Bill Carroll | EnProVera President

Bill Carroll is a co-founder of the EnProVera Corporation. He has 49 years of distinguished service and experience in law enforcement, homeland security, the US Government, and the government contracting industry. Bill's career has included numerous high-profile cases and operations ranging from supervising the Cuban Refugee Mariel Boatlift at Ft Chaffee, AR to initiating, participating in, and supervising Operation Handlebar, a highly sensitive undercover operation investigating Asian and Italian organized crime elements in the Southern District of New York. For his success with Operation Handlebar, Bill received the US Attorney General's Distinguished Service Award, the highest award for law enforcement within the Department of Justice. He also has sixteen years of exceptional service in senior and executive leadership positions in the government contracting industry.

Bill Chase | EnProVera Senior Vice President

William "Bill" Chase, co-owner, brings extensive experience in federal law enforcement investigations, program management, and the private sector. He enjoyed an exceptional 25-year career at the FBI where he held numerous leadership positions at both FBIHQ and in the field. Of note, Mr. Chase directed the initial response of the Boston FBI Field Office to the 9/11 attacks, and subsequently helped lead strategic changes at the FBI necessary to address future threats.
